

POLICIES

Guided by our vision:
Preserve and protect

Faithful to our commitment:
Your partner for the best in infrared

Aligned with our values:
Respect, Commitment,
Teamwork and Conviviality

At **LYNRED**, customer satisfaction, employee safety, and environmental responsibility are our top priorities. These priorities guide our efforts to ensure compliance with our legal, regulatory, and other obligations. They also orient the ways in which we continuously improve our health, safety, quality, and environmental management systems. LYNRED management strives to eliminate potential hazards and prevent risks, and to involve employees in this process

Confident in the future,
LYNRED management has made
the **following commitments:**
