

OUR HSE POLICY

(Health, Safety and environment)

EMBED OUR DEVELOPMENT IN A CONTINUOUS IMPROVEMENT APPROACH

focused on health, safety and environmental responsibility

PROTECT THE HEALTH AND SAFETY

of everyone working at our sites and foster a strong HSE culture

IMPROVE WORKING CONDITIONS,

with a particular focus on preventing chemical risks, musculoskeletal disorders (MSDs) and psychosocial risks (PSRs)

PRESERVE THE ENVIRONMENT,

ensure compliance of our facilities, reduce water consumption and prevent pollution risks

HALVE OUR CARBON FOOTPRINT BY 2040

and improve our energy efficiency

Management provides the necessary resources to achieve these shared objectives.
